## Commission

You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business.

## Disclosure and Quotations

Quotations are based on the information given to us by you (the proposer) or your representative. You are responsible, on an ongoing basis, for providing us with all material facts relating to the insurance cover we arrange on your behalf. Material facts are those which are likely to affect the assessment and acceptance of risks being insured. Failure to provide full and accurate information may mean that your cover is invalid. If you are in any doubt as to what facts are considered to be material then you should disclose them to us. Your insurer has the right to decline your risk, increase your premium, or offer a policy containing restrictions in cover at any time throughout the duration of the policy term.

## Confidentiality

All information provided by our clients is treated as confidential and only disclosed in the normal course of negotiating, arranging and administering your insurance. With a few exceptions, for example information requested by a court, a regulatory body, or information which is already in the public domain, we will not release information to any other party without your consent.

## Client Money

We confirm that all client money where credit risk transfer is extended is kept in a separate designated account and is considered to be held by Morton Michel as Agents for the appropriate insurance company, to be paid to the insurers in accordance with our Agency Agreement with them. Where no credit risk transfer has been extended by an insurer, your money will be kept in a separate designated statutory trust account on your behalf and held there until payment is due to the insurance company. No interest is payable to clients for money held in any of our accounts. We try to ensure that all cheques are cashed promptly. Cashing your cheque does not denote that you have been placed on cover; cover does not commence until the proposal has been formally accepted unless otherwise agreed with Morton Michel. By agreeing to these terms you consent to Morton Michel holding your money within the designated account and to Morton Michel retaining any interest gained on it.

## Changes to your cover

All changes to your insurance policy must be notified to us in writing and will not be effected until such written instruction has been received. Once received and accepted by us, the changes will be effected and documentation issued as soon as possible. We will confirm changes to your policy, once agreed, in writing. We will also advise you of any extra premiums you must pay or premiums we must return to you. Please note instructions sent by post, electronic mail or fax are not deemed to be received until they reach the relevant personnel in our offices; we cannot accept responsibility for failures in the postal, electronic or telecommunications systems.

## Documentation

Our aim is to produce documentation and correspondence in a clear and understandable format. In the event of any uncertainty we would ask you to let us know immediately. Our staff are always happy to clarify the cover provided. You must check all policy documentation issued by Morton Michel and insurers to ensure that the details are correct and the cover provided meets with your requirements. Any errors should be notified to us immediately.

## Insurer Security

We check the financial strength of the insurers with whom we place business by reference to A.M. Best, Standard & Poor or a reputable rating agency's published Insurer Ratings. It should, however, be noted that the claims-paying ability of even the strongest insurers can be affected by adverse business conditions. We cannot, therefore, guarantee the solvency of any insurer or underwriter.

## Transferred Business

If we take over the servicing of insurance policies which were originally arranged through another intermediary we do not accept liability for any claim arising out of the advice given by that intermediary, nor for any errors, omissions or gaps in your current insurance protection. We would ask you to contact us without delay should any aspect of a policy which has been transferred to us cause you concern or if you need an immediate review.

## Making a Claim

You can make a claim under any policy we arrange on your behalf by contacting our claims department. You will be advised if you need to complete a claim form or produce documentation to support your claim. It is important that any claim or incident likely to give rise to a claim is reported to us or your insurers as quickly as possible. In certain circumstances late notification may result in your claim being rejected.

If the claim involves damage to your property, please do not dispose of damaged items and/or authorise repair work (except in an emergency or to prevent further damage) until we or your insurers advise that you can. If your claim involves damage to third party property or injury to persons please pass copies of all correspondence, including solicitors' letters, to us immediately and unanswered. Any attempt to negotiate or respond to the incident without prior reference to us or your insurers might prejudice your cover.

For Motor claims a contact telephone number is provided with your policy documents or can be supplied by us upon request.

## Important note regarding claims handled by Morton Michel on behalf of Sterling Insurance Company Ltd

Morton Michel holds delegated authority from Sterling Insurance Company Ltd to handle most claims on its behalf. Please note that certain policies arranged with Sterling Insurance Company Ltd are part of a profit share agreement between Morton Michel and Sterling Insurance Company Ltd whereby Morton Michel are partly remunerated according to the profitability of the insurance scheme. Claims settlements will obviously have some bearing on the profitability of the insurance scheme. **Whilst we are completely confident that all claims handled by Morton Michel are done so entirely on the merits of the claim and are not influenced by any other factors, you may, should you so wish, have your claims handled directly by Sterling Insurance Company Ltd rather than by Morton Michel. Please advise us of this at the inception of the claim.**

## Cooling Off Period (Consumers only and certain, but not all, commercial clients)

There is a 14 day 'cooling-off' period from the date of policy inception. If you decide, within this period, that you do not want to continue with the policy, your premium will be refunded as long as you have not made any claims.

## Cancellation

If you require cancellation of your policy mid-term please advise us in writing. Motor policyholders are required to return their certificate of insurance, or complete a lost certificate declaration. Where possible a pro-rata refund of premium will be allowed, however certain underwriters may charge a short period rate where cancellation takes place in the first period of cover and may not allow a refund of premiums where a claim has been made. If you are paying by instalments, the underwriters may exercise their rights to collect the outstanding balance in the event of any claim. For commercial clients Morton Michel does have the right to retain the full premium where a policy is cancelled by the policyholder.

## Declaration

By signing the declaration on the proposal form you declare that you have read and understood the Summary And Guide to cover and give your explicit consent that the personal data you provide may be used by Morton Michel and Sterling Insurance Company Ltd, a member of Sterling Insurance Group Limited, for the purposes of your insurance. This includes underwriting, processing, claims handling and fraud prevention, which could involve passing details to agents of Sterling Insurance Group Limited or other insurers. You also declare that you understand that you are entitled to a copy of your personal data held by Sterling Insurance Group Limited and/or Morton Michel upon payment of a fee.

## Miscellaneous

Cover is only effective from the date formally accepted and confirmed in writing by Morton Michel. Until you have received such confirmation you should not assume that cover is in place.

Please note that we only arrange cover in the UK. If you live outside the UK you should contact an insurer in your own country.

A copy of all our policy documentation is available on request.

## Tax

Insurance premium tax, as imposed by current legislation, is incorporated into all premiums. Premiums are payable annually to Morton Michel.
