

COOL CARDS

SUIT POCKET

STAY COOL!

STORE CUPBOARD

- Blank greeting card
- 4 buttons
- Patterned paper
- White paper
- Black pen
- Scissors
- Glue

1 Glue four buttons along the right-hand side of the greeting card.

2 Take some patterned paper and cut out a shirt pocket for your card. It should fit neatly onto the card face beside the buttons. Use a black pen to draw "stitch lines" around the pocket.

3 Apply glue to all sides of the pocket, except the top edge. Stick it onto the greeting card.

4 Cut out a suitably sized rectangle of white paper to fit inside the pocket. Use a pen to write 'Happy Father's Day' on the paper. Slip the message into the pocket to finish. Sign your name and give your card to Dad!

STORE CUPBOARD

- Blank greeting card
- A selection of coloured card
- Wooden craft stick
- Dot stickers
- 3D mount pads
- Glitter foam letter stickers
- Sticky tape
- Scissors
- Glue

1 Begin by cutting a piece of coloured card for the ice lolly. Attach a wooden craft stick to the back with sticky tape.

2 Decorate the lollipop with the coloured card and dot stickers. Mount it onto the greeting card with 3D sticky mount pads.

3 Stick glitter foam letter stickers onto a piece of card to spell out the words 'Stay Cool'. Neatly cut out the label with scissors. Next, use glue to mount the label onto a slightly larger rectangle of card. Attach the completed label to the greeting card with 3D pads.

4 Write a special Father's Day message inside the card ready for giving to Dad.
