General Conditions

The following General Conditions will apply to all Sections of this policy unless stated otherwise.

1. Acts of Parliament and Statutory Instruments

All legal instruments and rules referred to in this policy include any subsequent amendments or re-enactments of those Acts and any equivalent legislation which is enforceable within the **territorial limits**.

2. Alteration in Risk

You or **your** insurance broker must tell Morton Michel or **us** immediately if during the **period of insurance** there is any alteration in risk or to the facts which **you** disclosed when **you** took out this policy, which materially affects the risk of injury, loss, **damage** or liability which would fall within the policy cover. This includes but is not limited to alterations to the **business** or the **premises**.

When **you** tell **us** about an alteration in risk, **we** may apply additional terms and conditions to this policy (including but not limited to premium) or, if the risk is unacceptable to **us**, **we** may cancel the policy in accordance with General Condition 4 (b) - Our Rights to Cancel the Policy.

If **you** fail to tell **us** about an alteration in risk, **we** may:

- (a) terminate the policy back to the date when the alteration occurred, if **we** would have cancelled the policy had **you** told **us** of the alteration in risk
- (b) proportionately reduce the amount payable in respect of a claim; and/or
- (c) treat the policy as if it contained such different terms (other than relating to the premium) that **we** would have applied to the policy had **you** told **us** of the alteration in risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the alteration in risk occurred.

Where **we** elect to proportionately reduce the amount payable in respect of a claim, **we** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **you** actually paid with the premium which **we** would have charged had **you** told **us** about the alteration in risk.

For example, if the premium which **you** actually paid is 70% of the premium **we** would have charged, **we** will only pay 70% of any claim.

3. Average

(not applicable to Equipment Breakdown Section and Cyber Section if insured by this policy)

If at the time of any loss the total sum insured specified in the **schedule** is less than 85% of the total value of the **property insured** **we** will bear only that proportion of the loss which the total sum insured bears to the total of the **property insured**.

4. Cancellation

(a) Your Rights to the Cancel the Policy

You may cancel this policy by giving written instructions to Morton Michel at Morton Michel Ltd, 6th Floor Knollys House, 17 Addiscombe Road, Croydon CR0 6SR or to **us** at Covea Insurance plc, 50 Kings Hill Avenue, Kings Hill, West Malling, Kent ME19 4JX. **You** may cancel this policy at any time from the date it begins or from the date **you** receive this policy document and **schedule**, whichever is the later. If cover has not yet started **you** will receive a full refund of the premium. If cover has started **we** will refund the premium for the exact number of days left on the policy. No refund will be given if a claim has been submitted or there have been any incidents likely to give rise to a claim during the current **period of insurance**.

General Conditions

 - co-operating with **us**, or sending **us** information or documentation that materially affects **our** ability to process the policy or **our** ability to defend **our** interests
 - taking all reasonable precautions to prevent or minimise **damage**, accident or injury as required by General Condition 10. Reasonable Precautions of this policyand failing to put this right when **we** ask **you** to by sending **you** seven days written notice to **your** latest address

 - complying with any risk improvements required by **us** following a survey within the timescales specified.

If **we** cancel **your** policy, **we** will refund the premium for the exact number of days left on the policy unless a claim or an incident likely to give rise to a claim has occurred during the current **period of insurance**. No refund will be given if a claim has been submitted or there have been any incidents likely to give rise to a claim during the current **period of insurance**.

5. Change of Risk or Interest

This policy will be avoided if:

- (a) **your** interest ceases other than by death
- (b) the **business** be wound up or carried on by a liquidator or receiver or permanently discontinued at any time after the commencement of this insurance unless **we** have accepted the change.

Nothing contained in this policy will give any right against **us** to any person other than **you** except to a transferee approved by **us**.

6. Contracts (Rights of Third Parties) Act 1999

A person or company who was not a party to this policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

7. Excess Clause

Where stated in the policy or **schedule you** will be responsible for paying an **excess** in relation to each and every claim made by **you** under this policy.

General Conditions

8. Fair Presentation of the Risk

You must make a fair presentation of the risk when **you** first take out this policy and also whenever **you** renew it or ask **us** to change **your** cover.

If **you** fail to make a fair presentation of the risk including failing to disclose or misrepresenting a material fact or disclosing material facts to **us** in a way which is not clear and accessible **we** may avoid this policy and refuse all claims where:

- (a) such failure was deliberate or reckless
- (b) **we** would not have entered into this policy on any terms had **you** made a fair presentation of the risk.

Should **we** avoid this policy **we**:

- (a) will treat the policy as if it had not existed from the start date, the renewal date, or the date when **you** asked **us** to change **your** cover, depending on when the failure to make a fair presentation of the risk occurred
- (b) will return the premium paid for the period for which the policy is treated as not having existed unless the failure to make a fair presentation of the risk was deliberate or reckless
- (c) may deduct from any return of premium due to **you** any monies already paid in respect of claims falling within the period for which the policy is treated as not having existed or require **you** to repay such claims.

Provided that any failure to make a fair presentation of the risk is not deliberate or reckless, if **we** would have entered into or renewed this policy, or agreed to make changes to **your** cover on different terms had **you** made a fair presentation of the risk, **we** may:

- (a) proportionately reduce the amount payable in respect of a claim
- (b) treat the policy as if it contained such different terms (other than relating to the premium) that **we** would have applied to the policy had **you** made a fair presentation of the risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the policy started, was renewed or when changes were made to **your** cover, depending on when **you** failed to make a fair presentation of the risk.

Where **we** elect to proportionately reduce the amount payable in respect of a claim **we** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **you** actually paid with the premium which **we** would have charged had **you** made a fair presentation of the risk. For example, if the premium which **you** actually paid is 70% of the premium **we** would have charged, **we** will only pay 70% of any claim.

Where this policy provides benefits to individuals who would, if they had taken out similar insurance in their own name, have done so for purposes wholly or mainly unconnected with their trade, business or profession, **we** will not rely on this Condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to that particular individual, unless the individual (or **you** on their behalf) makes a careless misrepresentation, in which case **we** may rely on this Condition as against that particular individual as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

9. Other Interests

The interests of third parties which **you** are required to include on this policy under the terms of any mortgage, property lease or hiring leasing or hire purchase agreement are automatically deemed to be covered subject to **you** advising **us** at the time of notification of any claim.

2. Authorisation

You will act on behalf of **yourself** and all **insured persons** with respect to the giving and receiving notice of any **claim**, the payment of premiums and the receipt and acceptance of any endorsements attaching to and forming part of this Section.

3. Avoidance

In the event **we** are entitled to avoid this Section as if it had not existed from the start date **we** may at **our** option elect instead to give notice in writing to **you** that **we** regard this Section as in full force and effect but that any **loss** which has arisen or which may arise and which is related to the circumstances which entitle **us** to avoid this Section will be excluded from the cover provided.

This Section will then continue in full force and effect but will be deemed to exclude the particular **loss** referred to in such notice as if it had been specifically endorsed from the start date.

- (b) not admit liability for or attempt to settle any **claim** or incur **defence costs** without **our** written consent. **We** will be entitled at any time to take over and conduct in the name of the **insured person** or **you** the defence or settlement of any **claim** or to prosecute in the name of the **insured person** or **you** for their own benefit any **claim** for payment, indemnity or damages or otherwise against any third party. In any event no action will be taken which might prejudice **us**.

7. Discharge of Liability

We may at any time pay to **you** in connection with any **claim** or series of **claims**:

- (a) the amount of the Limit of Indemnity
- (b) any lesser amount for which such **claim** or **claims** can be settled less any sum or sums already paid.

On payment **we** shall relinquish the conduct and control of and be under no further liability in connection with such **claim** or **claims** except for the payment of claimants' legal costs and **defence costs** incurred prior to the date of such payment.

8. Notice of Circumstance or Claim

It is a condition precedent to **our** liability that the **insured person** and/or **you** will give **us** notice in writing of any:

- (a) **circumstances** which might reasonably be expected to give rise to a **claim** against an **insured person**, including the reasons for the anticipation of such **claim**, with full particulars as to dates and persons involved, as soon as reasonably possible. Any subsequent **claim** arising out of the notified **circumstances** will be deemed to have been made at the time of notice to **us**

9. Proportionality of Costs

Where **you** become liable to pay a sum in excess of the amount of indemnity available under this Section **we** will pay only the proportion of any claimants' legal costs and **defence costs** that the available amount of indemnity bears to **your** total liability.

10. Severability

- (a) The application for this insurance will be construed as a separate application by each **insured person**. With regards to the Proposal Form, Statement of Fact or electronic application together with the declarations and statements contained therein, no statements in such Proposal Form, Statement of Fact or electronic application or knowledge possessed by any **insured person** will be imputed to any other **insured person** for the purposes of determining the availability of indemnity by this Section for loss arising from a **claim** made against an **insured person**.
- (b) For the purpose of determining the applicability of any conditions and exclusions, the **wrongful act** of any **insured person** or **you** will not be imputed to any other **insured person**.

In the event of a **takeover** any cover by this Section in respect of **loss** arising from a **claim** will apply only to any **loss** by reason of **wrongful acts** committed by an **insured person** prior to the date of such **takeover**.

Basis of Claims Settlement Clauses

1. Gross Income

In respect of a reduction in **gross income**, we will pay:

- (a) the amount that the **gross income** during the **indemnity period** falls short of the **gross income** during the equivalent period immediately before the forfeiture, suspension or withdrawal of the **licence**
- (b) any reasonable additional expenses incurred to maintain the **gross income** during the **indemnity period** but not more than the loss avoided under **gross income**

less any amount saved during the **indemnity period** in respect of reduced expenses due to the event.

2. Alternative Trading

If during the **indemnity period** work is done or services are provided elsewhere than at the **premises** for the benefit of the **business** either by **you** or by others on **your** behalf, the money paid or payable in respect of such work or services will be brought into account in arriving at the **gross income** during the **indemnity period**.

3. Departmental Trading

If the **business** is conducted in departments or across a number of **premises**, the separate trading results of which can be ascertained, then any claim settlement under this Section will be calculated for each department or **premises**.

4. Trends and Variations

In adjusting the amount paid, all variations or special circumstances affecting the **business** will be taken into account in order that the amount paid will represent as nearly as practicable the results which would have been expected if forfeiture, suspension or withdrawal of the **licence** had not occurred.

If the event occurs in the first trading year of the **business**, the payment under **gross income** will be based on the trading figures immediately before the forfeiture, suspension or withdrawal of the **licence**.
